I am pleased to report that we received formal notification yesterday from the Higher Learning Commission indicating final approval of Wartburg's continuing accreditation through 2016-2017. The team report will be placed on the Wartburg College Higher Learning Commission Website (<http://public.wartburg.edu/hlc>; User name: commission; Password: study) by the end of this week.

I want to thank Dean Menzel and the Steering Committee for leading us through the self-study process. Also, I want to thank each of you for your participation in the process. The feedback from the team was very helpful and positive and we should all be proud of our continued accreditation and what has been accomplished since our last review. I look forward to working with you over the coming years as we continue to build for a strong future.
