

Expectations:

All work is to be written in blue or **black** ink.

All Math work should be written with pencil; otherwise it will not be graded.

If your assignment can **not** be read, it will not be graded.

Any assignment without the proper heading will lose 10 points.

Homework will be collected the day after it was assigned at the beginning of the class, unless other instructions had been given.

After assignments have been graded and returned to the teacher, signed by parents if necessary, they must be filed.

A **Hi-Liter** should be used to show your answers.

Assignments without name or incomplete lose all credit.

Late assignments have no credit at all.

Students who are absent must send assignments to the office, or email them in order to receive a grade, and meet all dead lines.

yleon@lcsnogales.org

Agenda and all required supplies should be available for each and every class.

No extra credit will be given if you are missing any type of work.

Thank you for your cooperation
