

# Annual Notification of Student Directory Information

The GFW Schools have identified and selected information relating to students called Directory Information. This information is public.

Parents or students may, however, request in writing that any or all of the information below not be released on that individual student. The written request must be received by the PLS office within 30 days after this official notice is published.

- A. Student's Name
- B. Student's Address
- C. Date and place of birth
- D. Participation in officially organized activities/sports
- E. Dates of attendance
- F. Degrees and awards received
- G. Previous education agency/institution attended by student
- H. Pictures for school approved publications or newspapers
