Dear President Ohle:

Wartburg AAUP is in the process of putting together the May issue of its faculty newsletter. In this issue we hope to include a brief story about the chapter's attempts to communicate with the HLC visiting team last November.

The story would report, among other things, that the chapter's request to meet with the HLC visiting team was not forwarded to the team chair. You may recall that, in accord with HLC protocol, the chapter made this request through your office on September 1 via an e-mail memorandum.

We thought you might appreciate an opportunity to provide an explanation for this lapse of communication before the newsletter is printed Wednesday. We would of course be happy to take into account any response you or Dean Menzel might be willing to supply.

If we do not hear from you by Wednesday afternoon, we will assume that no explanation is forthcoming.

Thank you,

Greg Scholtz, President  
Wartburg AAUP
